INTRODUCTION FROM THE NATIONAL CONVENER

Dear applicant,

Thank you for expressing an interest in working with Children's Hearings Scotland.

As an organisation that works within the Children's Hearings System, we are passionate about making a positive contribution to improving the outcomes of Scotland's children and young people.

Our vision is of a hearings system where everyone works together. This makes sure that all children and young people are loved, cared for and protected and that their views are heard, respected and valued. We are currently rolling out a range of projects that will see us transform the way we work, helping us to achieve our vision. It is a truly exciting time to join Children's Hearings Scotland.

It is an enormous privilege to lead this organisation, and we are committed to shaping a modern Children's Hearings System that meets the needs of Scotland's children and young people.

Good luck with your application.

Elliot Jackson
National Convener and Chief Executive Officer

ABOUT US

Children's Hearings Scotland recruits, trains and supports around 2,500 skilled volunteer Panel Members who sit on children's hearings and make decisions with and for vulnerable children and young people across Scotland.

WHAT IS THE CHILDREN'S HEARINGS SYSTEM?

Scotland's unique Children's Hearings System are legal meetings set up because there are concerns about the wellbeing or care of an infant, child or young person. Their problems are addressed in a legal tribunal where Panel Members, recruited and trained by Children's Hearings Scotland (CHS), decide on the best outcome for the child involved while upholding and promoting their rights.

WHAT WE DO AT CHS

Children's Hearings Scotland (CHS) **recruits, trains and supports** around 2,500 Panel Members across Scotland who are supported by regional Area Support Teams (AST). Panel Members make legal decisions with, and for, children and young people in children's hearings and AST members provide support and guidance to these Panel Members locally. You may have heard of us being referred to as the Children's Panel too.

CHS is led by our National Convener and Chief Executive, Elliott Jackson.

LOOKING TO THE FUTURE

The Children's Hearings System has been in operation in Scotland since 1971, in 2020, Scotland made **The Promise**. The Promise is that Scotland's children and young people will grow up loved, safe and respected.

Reform of the Children's Hearings System is leading to a number of changes.

- We are strengthening our support structures for volunteers.
- Scottish Government is delivering legislation that brings all under 18s into the Children's Hearings System to comply with United Nations Conventions.
- CHS and partners are working with the Scottish Government, and The Promise Scotland, to deliver the widest range of changes to the Children's Hearings System since it was created.

All this helps ensure we have the right structures along with the skills, knowledge and expertise required to make some of the most difficult and transformative decisions about children's lives and futures.

Although this is a lot to take on, it's done with a singular goal - improving the lives of infants, children and young people.

Together, we will deliver on that promise to make Scotland to be the best place to grow up. As a Panel Member, you can be part of it too.

HOW CHS SUPPORTS OUR PANEL MEMBERS

Behind every Panel Member that is making decisions for and with infants, children and young people, is a **Regional Area Support Team (AST)** to provide support, learning and wellbeing of Panel Members. The Regional Area Support Team (AST) is the operational group that manages the effective delivery of CHS's statutory functions in one of nine geographical localities across Scotland.
